# *Terrorism & Security Awareness Orientation*

- **Addresses training standards for personnel who may be involved in emergency preparedness and response activities.**

***It IS NOT designed for “Responders”***

# Orientation Course

- Cross agency recognition
- Cost effective
- Focus: Antiterrorism and Security
  - All hazards
- Two-part:
  - Part I- all employees
  - Part II- discipline/site specific

# Orientation Course Models

- Federal Employees Emergency Guide  
<http://opm.gov/emergency/PDF/EmployeesGuide.pdf>
- Pennsylvania Terrorism Awareness and Prevention  
<http://www.pa-aware.org/>
- Virginia Department of Transportation

# Orientation

Governor Warner's Executive Order 69 instructs all state agencies to create plans to address agency response to natural and man-made disasters and emergencies, including terrorist attacks

*Currently Governor Kaine is reviewing the need to update this Executive order.*

# **Purpose of Orientation**

To provide state employees with the “tools” to enable them to be more personally and professionally security conscious while continuing to provide the highest quality of customer service

# Learning Objectives

- Describe what terrorism is and why it exists
- Describe the tools and techniques terrorists use to achieve their goals
- Explain how to reduce the risk in becoming a victim to crime and/or terrorism
- Explain how to report and respond to suspicious conditions and situations

# Overview

- Introduction
- Terrorism
- Explosive Threats and Incidents
- Chemical, Biological, Radiological/Nuclear Threats (CBRN)
- Cyberterrorism, Identity Theft and Social Engineering
- Crime Prevention

# **Orientation Course Methodologies**

- Available to state employees (or create own)
  - Track in DHRM LMS
  - Suggested for others
- Multi delivery methods:
  - Classroom, online, off-line, video (DVD/VHS)
  - Instructor Train-the Trainer “recommended”
- Modular: 15-20 minute units
- Evaluation “Quiz” required
- Completion certificate

# **“Live” Classroom Program**

- Course Powerpoints
- Student materials with Handbook
- Final 15 question Quiz required to “Pass”
- Instructor provides Certificate of Completion for agency records

# On-Line Program

- Hosted by Va. Dept. of Human Resource Management
  - <https://covkc.virginia.gov>
  - Log into Learning Management System
  - Click On "Learning Center"
  - Click ON "Course Information & Enrollment"
    - Database of all salary linked employees
  - Enter "Terrorism" in box and SEARCH
  - Click on "Virginia Terrorism Awareness" to start program

# Off-Line Program

- Available as CBT with built in Student Tracking and Quiz
- Computer device specific (“Cookie” created)
- Must “Pass” module quizzes to proceed
- Allows employee to enter and exit between modules
- Prints notice of completion when all modules “passed” for agency records

# Video Based Program

- Available as VHS or DVD format
- Approximately 60 minute video
- Final 15 question Quiz required to “Pass”
- Single session completion
- Agency Proctor provides Certificate of Completion for agency records
- *Also useful for Classroom presentations to break up presentations*

# What can VDEM provide

- Instructors
- Books
- AV
- Train-the-Trainer for PSRT-Awareness Course.

# PSRT-Awareness

- This course is designed for all public-sector emergency responders to provide awareness-level information on terrorist incidents. Through case histories the students will receive information on recognition, scene control, self-protection, and tactical considerations. The course covers terrorist crime scenes, bombing incidents, chemical agent incidents, biological agents, nuclear terrorism and planning.

# PSRT-Tactical Considerations

- This course is designed for emergency response first-line supervisors that will be responding to a terrorist incident. This course includes training in responder self-protection, personal protective equipment, scene security and control, mass decontamination, medical considerations and hazard control.

# **PSRT-Management Considerations**

- This course is designed for managers and command-level officers who will be emergency incident managers and will focus on the dynamic aspects of managing emergency services response to acts of terrorism. The course overviews ICS, unified command and response to terrorist crime scenes.

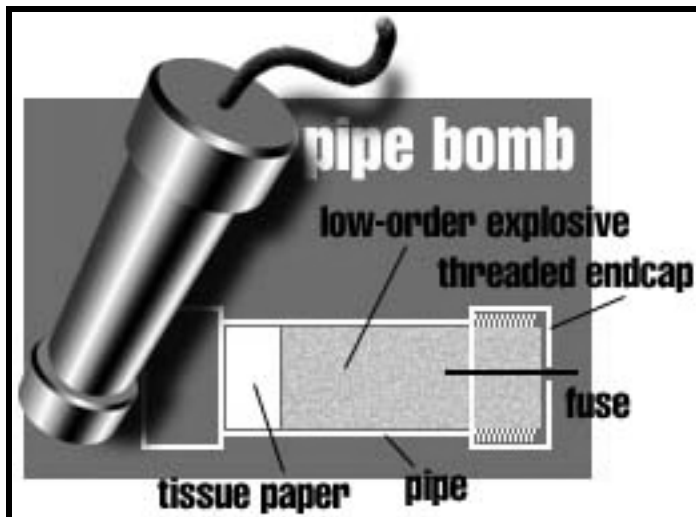

# **PSRT- Hazmat Team Operations**

- This class is designed for State Hazmat team technicians and specialist that will be responding to a terrorist event. This class contains advanced level information on explosives, detection and monitoring, PPE, advanced decon and decision-making.

# Incident Response to Terrorist Bombings - Performance

## 4 Hour Course

- This is an performance level course designed to provide participants with basic information concerning explosive and incendiary devices that could be used as terrorist weapons.

# Prevention & Response to Suicide Bombing Incidents - Performance 4 Hour Course

- This is an performance level course designed to provide participants with basic information concerning terrorist use of suicide bombing attacks.

***Available starting  
May 2006***

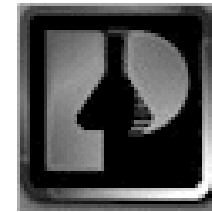

# Other Training Available

National Domestic  
Preparedness Consortium

- ✦ CTOS NST-Nevada
- ✦ EMTRC NMT - New Mexico
